

LAP BOOK TEMPLATE #3

Scriptural Order of Creation

Directions:

1. Cut on the solid lines. Fold on the dotted lines.
2. Fold down each petal down towards the middle. Write a day of creation on each of the 6 petals (the center is Day 7).
3. Under each petal, for each day of creation draw a few creatures or symbols for the creatures.
4. Reread the Scripture account and add a few more details about each day. For example: What did God say? What did God see?
5. Paste the back of the center of the flower into your lap book.
