LAP BOOK TEMPLATE #5

Greek Names of the Apostles Passport Stickers

Explain to the class how you would like to use the passports in your classroom. You may decide to focus on one Apostle for a few days and require each child to receive the stamp. Or you may decide to focus on one method below allowing the children to work toward receiving an Apostle's stamp of their choice.

Photocopy or print the below stamps onto label paper and cut them out to turn them into stickers. Alternatively, you may cut them out and have the children glue the stamp into their passport.

Encourage the children to receive a passport stamp in any of the following ways:

1. Memorize a Scripture passage pertaining to a particular Apostle.
2. Tell you a fact from the Apostle's life or death.
3. Write an Apostle's name in Greek.
4. Explain the symbol related to an Apostle.
5. Describe a place the Apostle visited during his life.
