

FAMILY CREST

MY FAMILY IS A GIFT FROM GOD

THEOLOGY OF THE BODY TIDBITS...

In the family, a child is introduced to God, the Church, and what it means to be a human person. The family is the first school of love. Think of various ways family members show one another love through self-giving and self-sacrifice. The family ultimately is a reflection of the Holy Trinity: an eternal gift exchange of love.

MY FAMILY
IS A GIFT
FROM GOD
