

ROOTED: Theology of the Body 6th – 8th Grade

CONTENT OUTLINE The Resurrection

“He is not God of the dead, but of the living.” (Mark 12:27)

In fact, the truth about the resurrection clearly affirms that man’s eschatological perfection and happiness cannot be understood as a state of the soul alone . . . but must be understood as the definitively and perfectly “integrated” state of man brought about by such a union of the soul with the body that it definitively qualifies and assures this perfect integrity.
