MARRIAGE IS A GIFT OF GOD

MARRIAGE

OF GOD

THEOLOGY OF THE BODY TIDBITS...

Throughout the Bible, God's love for us is often compared to the love a husband has for his bride. St. Paul commands husbands to love their wives like Christ loved the Church. All analogies eventually fall short, but there is something profound to ponder about marriage and God's love for us. The sacrificial, life-giving love of a husband and wife in the Sacrament of Marriage can help us to dive deeper into the mystery of God's immense love for each human person.
