THEOLOGY OF THE BODY TIDBITS...

God created each one of us according to his perfect plan. If he gave you the gift of a girl, remind her of the ways that she can live out her identity as a daughter, sister, future mother, friend, etc. If God gave you the gift of a boy, remind him of the ways that he can live out his identity as a son, brother, future father, friend, etc. Say a prayer with your children thanking God for creating each person in your family as a boy or girl and allowing them to be a good son/daughter, sister/brother, friend, etc.
