## UNIT FIVE: ORIGINAL UNITY

### LESSON PLANNING GUIDE

These timed lessons are just one approach to use the REVEALED materials.

We recommend having the students read the written lesson and answer discussion questions for homework prior to beginning the unit. The reading lesson and questions can be found on pgs. 92-100 of the Level I - Jr. High Student Common Place Book. (Another option is to read the lesson and tackle the discussion questions together in class. In this case, the Saints & Heroes segment, and the final activity i.e. Gratitude Journaling, Reflections, Gift-of-Self would then be assigned for homework at the end of the unit & discussed for a few minutes the next class).
