VIRTUES

PEPPE'S BODILY ACTIONS

Peppe continues to light the lamps even when his father is upset and says he is ashamed.

VIRTUES

PEPPE'S BODILY ACTIONS

When he first searched for a job, Peppe kept getting denied and laughed at, but he kept searching for the right job.

VIRTUES

PEPPE'S BODILY ACTIONS

Even though he was just a boy, Peppe got a job to help support his sisters.

VIRTUES

PEPPE'S BODILY ACTIONS

Peppe's father tells him to light the lamps because his sister is lost. Peppe listens to his father.

THEOLOGY OF THE BODY TIDBITS...

Though virtues themselves are invisible, they can be expressed through the body. In the story *Peppe the Lamplighter*, the young boy, Peppe, expresses many virtues while his father is too sick to work. Invite your child to tell you about a virtue he/she admires in Peppe and how he expressed it through his body.
