THE DIGNITY OF THE HUMAN PERSON

People fail to recognize the value of every human person when they...

I can help others recognize the value of every human person when I...

THEOLOGY OF THE BODY TIDBITS...

The human person, the only creature made in God's own image and likeness, has immeasurable worth and dignity just by his or her very existence. God always sees us through the lens of his love for us. Discuss with your child ways you can both work on seeing the true value of every person that you encounter in your daily lives.
