

WHAT DO WE KNOW ABOUT GOD?

THE BODY REVEALS THE PERSON

Name _____

WHAT DO WE KNOW ABOUT GOD?

Decide which characteristics describe God. Cut out the squares below and paste the characteristics of God in the squares above.

THEOLOGY OF THE BODY TIDBITS...

We are created in God's image, including God's image as relational: three persons eternally giving and receiving the loving gift of themselves to each other. The idea of gift requires both a giver and a receiver. God designed us capable of both giving out of love and lovingly receiving or welcoming the gift of the other person.
