Draw a picture of your parents taking care of you.

THEOLOGY OF THE BODY TIDBITS...

In the Book of Genesis, God has Adam name all of the animals. In doing so, Adam becomes aware that none of them are like him. The human person alone is created in God's image and likeness. God also tells Adam to rule the earth. This means that we should govern the earth and take care of the good gifts within it. Talk with your child of the ways you care for him or her — and how you both can care for God's creation.
