The experience of Original Solitude showed Adam (the first human person) that he was created for a special relationship with God. Trusting God is a big part of this special relationship. Write the word “trust” in the first circle of your timeline.

Read the following passage and answer the questions with your group.

The Lord God gave the man this order: You are free to eat from any of the trees of the garden except the tree of knowledge of good and evil. From that tree you shall not eat; when you eat from it you shall die.

— Genesis 2:16-17

2) God warns Adam (the first human person) of the danger of eating fruit from the tree of knowledge of good and evil. What will happen if Adam eats from that tree?

I came down from heaven not to do my own will

## Christ Restores our Relationship with God

The experience of ORIGINAL SOLITUDE showed man that he is created for a special relationship with God. Unfortunately, man disobeyed God. This hurt the relationship between God and human persons. Jesus came to restore our relationship with God. When we are baptized, our sins are forgiven and we become sons or daughters of God.
