

WONDERFUL WAYS GOD PROVIDES FOR OUR NEEDS
CREATION IS A GIFT

Name: _____

THEOLOGY OF THE BODY TIDBITS...

All of creation is a gift for the human person, who alone can see that creation is a gift and appreciate its worth. There's such a wonderful variety of animals and plants. Farm animals, for instance, provide for many different needs that we have of food and clothing. Take time to join your child in expressing wonder for God's many good gifts of creation.
